

## ScotEID Cookie Policy

Cookies are small files stored on your computer by your web browser. Websites may request the creation of these cookies for various purposes. Our website only uses cookies to enhance functionality and performance. All the data we get about you from cookies is anonymous (we can't identify you from it) and we do not share any personal data with third parties. You can delete these from your computer whenever you like, or set your browser not to accept them - but when you access the New Combined Agricultural Survey and Sheep & Goat Annual Inventory 1 December 2015 you agree to let us use them. Below are the cookies you might get on your computer if you use our site - but not everyone will get all the cookies.

<b>Name of Cookie</b>	<b>Type of Cookie</b>	<b>Purpose</b>
phpsessid	Functionality cookie	This cookie identifies your session on this site only. This cookie will expire at the end of each session.
yii_csrftoken	Security cookie	This is a security cookie used to prevent cross site request forgeries (CSRF). This cookie will expire at the end of each session.
userpermissions	Functionality cookie	Temporarily stores user permissions. This cookie will expire at the end of each session.
_utma _utmb _utmz	Performance cookie	These cookies are set by our analytics provider, Google Analytics and is used to collect data and information to better understand how the website is used. Any information or data which is collected is anonymous. The setting of this cookie helps us to improve your experience of the website and to make any necessary changes.
_utm	Performance cookie	This cookie is set by our analytics provider, Google Analytics and is used to collect data and information to better understand how the website is used. Any information or data which is collected is anonymous. The setting of this cookie helps us to improve your experience of the website and to make any necessary changes. This cookie is what is known as a "session cookie" and will be deleted once you close your browser.
